

ALUMNI TALK

Alumni Committee of Xavier School of Sustainability organized another alumni talk on 13th August 2019 and the guest speaker was Greeshma Biswal (Batch: 2016-18). She is currently working as Partnership Solutions & Governance Manager at TATA Strive. She shared her corporate experience basically regarding the CSR perspective and how CSR is a subset of sustainability. She enriched us with the importance of building connections and participating in various competitions. It was an indeed an interactive and productive session.

Alumni Committee of Xavier School of Sustainability organized their first ever alumni talk on 3rd August 2019 and the guest speaker was Parika Mahajan (Batch: 2017-19). She is currently working with Flipkart as Sustainability and EHS Specialist. She talked about her SIP experience at Tata Motors and she shared her experience at Flipkart. Apart from this, she advised us on how to maintain our LinkedIn profiles and how decision modelling is important in the corporates. It was an interactive and productive session.
